

Thursday, Nov 7th

THE DIODE LASER IN DENTISTRY

Prof. Poli - *University of Genoa*

- 8:30** Pick up at the hotel
- 9:15-9:30** Arrival and registration of participants
- 9:30 - 9:50** Presentation of LAMBDA and Master Class Academy
- 9:50 - 10:30** Laser basics - Physics and laser-tissue interaction erbium and diode laser
- 10:30 - 10:45** Coffee break
- 10:45 - 11:45** Diode Laser applications in dentistry: surgery and periodontics
- 11:45 - 13:00** Diode Laser applications in dentistry: therapy, endodontics, and whitening
- 13:00 - 13:45** Light lunch
- 13:45 - 15:30** Diode laser case reports
- 15:30 - 17:30** **Diode Laser hands-on session**
- 17:30** Transfer to hotel

Friday, Nov 8th

THE ERBIUM LASER IN DENTISTRY

Prof. Poli – *University of Genoa*

- 8:30** Pick up at the hotel
- 9:15 - 9:30** Arrival and registration of participants
- 9:30 - 11:00** Erbium Laser applications in dentistry: restorative, surgery, periodontics, bone surgery
- 11:00 - 11:30** Coffee break + Tour of the Facility
- 11:30 - 12:00** Erbium and diode the same applications with different results
- 12:00 - 13:00** Erbium laser case reports
- 13:00 - 13:45** Light lunch
- 13:45 - 15:30** Erbium laser case reports
- 15:30 - 17:30** **Erbium laser hands-on session**
- 17:30** Transfer to the hotel
- 20:30** Gala Dinner
